

CHAPTER 3 SEWER SERVICE

DIVISION XXX GENERAL PROVISIONS

Section 30.01 Applicability of Chapter.

The rules and regulations contained in this Chapter shall govern all work performed respecting sewer construction and disposal of sewage and drainage of buildings and connection to the sewage works of the District.

Section 30.02 Purpose.

This Chapter is intended to provide certain minimum standards, provisions and requirements for design, methods of construction and use of materials in sewer facilities hereafter installed, altered or repaired.

Section 30.03 Compliance Required.

It is unlawful for any person to connect to, construct, install or provide, maintain and use any other means of sewage disposal from any building in the District except by connection to the public sewer in the manner set forth in this Chapter. [Amended by Ord. No. 73, eff. 10/23/05]

Section 30.04 Inspection By District.

The Manager or such other person as may be designated by the Board shall perform the duties of inspecting the installation, connection, maintenance and use of all lateral sewers, building sewers and other sewer facility works in the District.

Section 30.05 Access to Sewer Facilities on Private Property for Inspection.

District personnel shall have access to sewer facilities on private property at all reasonable times for purposes of inspecting and closing sewer facilities as necessary to protect the public health and District operations and facilities.
